Requested site number or general area?			

- If your request cannot be met as specified, or we have questions, we may contact you by telephone.
- A confirmation card will be sent to you within two weeks as your indication that the reservation is complete.
- Correct specification of camping equipment is important to assure proper site selection; otherwise, your camping equipment may not fit properly on the selected campsite.
- Our sites are typically wooded, and the ground is gravel. Grass sites are also available in open and partially shaded areas of the park. Site requests will be evaluated on a first-come-first-served basis.
- All sites include picnic table, fire ring, and 20 and 30 amp electric outlets and water hookups. Sewer and 50 amp electric hookups are limited, and sewer hookups require an extra fee. However, use of dump station is free.
- Site rental requires at least one adult (age 18 or older). Each site is intended for only one family (including unmarried dependent children) and one camping unit. Extra adult and children fees may apply.
- For weekend or visits less than five nights, a \$50 deposit is required for this reservation. For holiday weekends or visits five nights or more, a \$75 deposit is required. Sorry, no Visa or MasterCard payments accepted for mail-in registrations—only deposits paid by check are acceptable.
- No refund for no shows, early check out, or inclement weather as camping is an outdoor experience.
- Use of this form confirms that you have read and agree with the rates, rules, and cancellation policy identified on our web site.
